Subject: Walmart's desire to enter the banking industry
Date: Thursday, April 06, 2006 10:03:33 AM
Attachments:

Gentlemen: I am concerned that Walmart's size and concentration of power will create a concentration of capital that would endanger the small banks that have recently started business in the Walla Walla WA area.

Three local banks have recently started business to offer a choice from the large Seattle bank branches. I would hate to see them challenged by the almost unlimited capital which Walmart controls.

Sincerely,

W.N.(Bill) McCaw
